Bill, my dear friend, I will miss you! You fought a long hard battle with such grace! You have taught me how to live a full life amongst difficulty. I will think of you when I am sick or tired and remember how you enjoyed life to its fullest despite difficulties. I admired how you went from project to project with such joy and always looking forward to the next one. I am very happy for the time we have had together. You are such a kind, loving, gentle soul and the most humblest of men. May God rest your soul and give you eternal peace! I pray for peace, strength and comfort for all of us who love you! Your loving friend, Jackie

Billy, my dear brother, I will miss our phone calls and descriptive life events that were so vividly communicated. We both liked a bargain so much and couldn't wait to tell each other about them. I am going to miss you so much.. We laughed, sang songs, cried, fought life's battles and remained friends through it all. Thanks for all the good times, those memories will forever live on. You are forever in my heart and I will love you until the end of time. With much love, Cindy
