I knew Stephen, a little. I served with him while he was in the 1021st EN CO and later we sweated through the same buildings of the new VA center being built in New Orleans. What I remember was life. He was full of it. Plans, ideas and a future he envisioned for him and his family, always about his family. My heart is weary with his loss and I grieve for those he left behind. He was a beloved husband, a soldier of character, and a good man with a huge heart. I and those who know him will be less without him in our lives. God be with you and may you find peace in knowing Buck has earned and found his rest. SFC Steven A May Chief Master ASAS Analyst 415th MI BN, LAARNG

We will always have so many fond memories of the many days you spent in our home growing up... We watched you transition from a child to a wonderful man. We were all so incredibly proud of you Stephen. You were a natural comic and kept us all going. You were such a good friend to both Wyatt and Sicily. Deepest condolences and the warmest of hugs to your beautiful wife, parents and siblings. Until we meet again, Lee, Wyatt and Sicily Kelley
