Sending my love and prayers to Shannon's sister, little brother, and mom. Shannon was one of my first friends. My father Miguel (mike) Silva and Mr. Frosch were friends so I would come over to the house and play. Shannon was a one of a kind and genuine person. Even when we were little she was wise beyond her years and always had an answer for everything. She was a good friend. Our dads died in the same year, she told me a couple of years ago that they were in heaven looking down on us and making fun of each other. I know she is also in a better place. I love you Shannon. Love, Shurron Silva
