The strongest, toughest aunt and person I knew, never shunned hard work or afraid of it. Spent many days in that huge impressive garden, shelling peas or corn and sewing amazing things and I was always amazed at her record collection that she was protective over but would still let me borrow to listen to. I will miss you so much and will always brag about you to my friends like I always have Aunt Golda Mae. Erron Sharp

I will always remember Goldie when we were young and I stayed at yalls house (a lot) and she'd always cook huge so good meals!!! She was always willing to work around my picky eating. Took it in stride, didn't bother her a bit!! She was such a great mother figure to me and I always felt welcomed and treated as one of her own. Such a great memory. I'll always remember her and will always miss her. Goldie, you are in a better place than we are!! Go soar with the angels and suffer no more.
