Joseph F. "Rick" Ankesheiln III

DEC 11, 1948 - AUG 8, 2016

Joseph Frederick "Rick" Ankesheiln III went to be with our Heavenly Father at the age of 67 on Sunday, August 7, 2016.

Rick was born and raised in New Orleans and was a long time resident of Gretna, Louisiana. For the last seven years he enjoyed semi-retired life with his loving wife, Andy, and his life long friends at Money Hill in Abita Springs, Louisiana. Rick was a graduate of West Jefferson High School and went on to graduate from Louisiana State University (LSU) where he was a member of Phi Kappa Tau Fraternity (PKT) and earned a bachelor's degree in Human Resources. Rick joined the Army Reserves in 1972 and proudly served his country for four years. At the time of his death, Rick was employed as a Senior Vice President of Claims by Marsh & McLennan Companies for over 25 years. He was an avid golfer and loved cheering on his beloved LSU Tigers. His greatest joy was entertaining his family and friends at his home where everyone enjoyed Rick's infamous cooking. He was at his happiest when he was being "Pops" to his beloved grandchildren. Rick was a wonderful husband, father and grandfather. He is going to be greatly missed.

He is survived by his beloved wife Mary "Andy" Hurst Ankesheiln, his sister Fay Ankesheiln Wartelle (Tom), his son Rhett Michael Ankesheiln, adoring daughter Kendall Ankesheiln Parnell (Jordan); stepchildren Paul Michael Gagnet, Jr.(Amy), Patrick Ryan Gagnet (Krista), and Ashely Gagnet Morgan (Michael); grandchildren Blake and Kellen DiTommaso, Myles and Madison Morgan, Greyson Gagnet, and Trent Ankesheiln.

He is preceded in death by his parents Joseph Fredrick "Freddy" Ankesheiln, Jr. and Rosary Fortmayer Ankesheiln.

Funeral services will be held at E. J. Fielding Funeral Home, Inc., 2260 West 21st Avenue in Covington, Louisiana. Visitation will be held Thursday, August 11, 2016 from 9:00 a.m. to 12:00 p.m. with service beginning at noon. Rick's beloved Pastor

Rick was a friend and colleague of my husband, Sandy Gautsche, but he always welcomed me to New Orleans when I came on business trips with Sandy, just for fun. What a charismatic and entertaining guy! We will miss meeting up with him on our future trips. Rick showed Sandy the places to go that tourists never know about. This picture is my 50th birthday, St. Patrick's Day, 2005, when we had the honor of meeting for a little celebration. Carry on our friend!

Linda and I had only known Rick since 2014, when we moved in down the street from him and Andy. Rick always was smiling and laughing and full of life. This year I will not have one of his famous rum cakes at Christmas, but for the rest of my life will think of him every time rum cake gets mentioned. His legacy is much greater than that, but that is a special memory for me. Andy, I am so sorry for your sudden loss. Bill Sims

Ricky and I were childhood friends...actually sweethearts if that counts when you are 12 or so! My grandmother and Aunt lived in same neighborhood on Ninth Street - so we would hang out whenever my mom visited them. I remember going to a fair in Gretna and he and I were chasing each other with plastic water pistols (a sure sign that we were interested in each other LOL) and I know for a fact we rode The Whip until we were too dizzy to walk...we would often sit on my Aunt Ethel's swing on the porch and just talk, giggle and taunt each other. I reconnected with Ricky on Linked In just about 6 months ago and it was so good to catch up on our kids and grandkids. He will be sadly missed by all who knew him. My heart is so heavy. My hugs and prayers go out to his beautiful family. Brenda Conzoneri (now Hernandez)

I met Ricky nearly 55 years ago as fresh faced 7th graders at Gretna Junior High which burned to the ground while we were cutting classes at LSU in Baton Rouge. I can attest that Ricky and the rest of the Royal Order of Gretna Boys (the "ROOGB's) had nothing to do with that fire but there were some egging and toilet paper missions logged while we were students there. There is a small group of kids from those days that have stayed close over the decades and Rick was the leader of the pack. I never had a biological brother but if I did, I would have wanted them to be just like Rick. He never met a stranger and lived his life according to the Golden Rule of faith. He was color blind during a period of history when many around us were not. He always had that devious, little kid smile that lit up any room or event that was blessed with his presence. I'm sitting here typing this memory in complete disbelief that he is gone. I just pray that there is a large enough sofa couch and flat screen TV in Heaven to allow Ricky to continue watching his beloved Tigers every fall afternoon/evening. To Andy, Ricky's children, grand children, relatives and his large extended family, Pam and I pass on our sincere sympathies. Ricky's life exemplified a life well lived and when alive, he really lived! Archie & Pam Thompson

Rick was a dear friend and colleague of mine. I always knew that if he was at a meeting we would wind up laughing about something. At the same time he was an incredibly knowledgeable professional on whom we could always rely.
