I was a friend of Sue's in high school and got to spend time with her again in more recent years. She was a woman of the world and could speak on myriad topics. I am saddened by her passing but was grateful to know she had found a good man to love and marry in recent years. Please know how many admiring friends Sue had.

Sue had an extraordinary capacity of understanding and fairness. I especially remember this when dealing with job assignments. She manifested joy when putting people to work. She has and will always shine in my mind. Luis Tonizzo Old MMP member -- NOLA Hall

What beautiful tributes to Sue have been written. I also attended Warren Easton with Sue. We really didn't get to know each other well till about 12 years ago. We enjoyed a cruise together a few years ago. She had a great spirit. I'm so happy that she found love in the end with her precious Fernando.

After working closely with her for about 5 years at MMP, from 1995 to 2000, it's hard to realize that, along with the the MMP NOLA Hall, she's gone. Despite the foreboding shadow of cancer, she always fought to retain a positive and promising outlook on life. Without complaint, she frequently did the time-consuming little things that - when summed - mean so much, to so many. I can not think of anyone, both during and beyond my time as an MMP official, who has provided such an unselfish measure of consistent support in service to the Maritime Industry. I hope and pray that her unfettered spirit will discover whatever it is that impels and challenges mariners to go far beyond their own horizons. Ed Higgins Higgins Marine Services Inc.

At Warren Easton, we gave Sue the nick name "Bubbles" because it fit her so well. Always the ebullient, smiling, vivacious happy and sassy Sue. It was always a joy to be around her at school and to visit with her at our reunions. We will miss those freckles and sweet face. She was a shining star.

Went to Warren Easton High in New Orleans with Sue. Had many classes together and shared lots of activities including Key Club. Sue was always a force to be reckoned with in anything she pursued. Smart, witty, droll, practical, determined and the list goes on. Sue had it all and did it all. Sue Ellen, here's to 1424 N. Tonti and Pep Squad and dances and to living life. God Bless.
