Randy was a true fighter for a long time!! I too made a career with Rowan and knew him very well. Whenever times got rough Randy rose to the top to help others. There are many people in Sabine Pass that Randy helped after storms made there way along the coast. The Rowan Midland was his second home and he treated as if it was his own. He will truly be missed. Rest in peace Jenks!!!! My condolences to the family!! Mike Moody

I am shocked and saddened to see my old friend, Randy, has passed. Knowing Randy my entire life, and having been close friends during our teenage years, grew to love the kind, fun-loving, and easy going guy he was. We had lost contact over the years, and, will miss not being able to reconnect with him after the great number of years that separated us. My deepest and heartfelt sympathy to the entire Jenkins family, and, may God give you peace and comfort during this difficult time of loss. Patrick McLain and family.

Very beautiful tribute for Randy! I'm so saddened that you had to leave us so soon. You were a great friend and I am blessed and consider myself as very fortunate to have shared our childhood together! Go rest high on that mountain brother! You will remain in our hearts always and forever! My deepest sympathies and condolences to all the family. Danny Barker and family

Yes, such a beautiful tribute to Randy. I have known Randy since High School (1977). He was always such a happy-go-lucky kind of guy. Would give you the shirt off his back. Always so funny. To Lily and Beth...and Randy's wife and children, I am so very sorry for y'all's loss. My heart breaks for all of you. I hope you lean on each other and God to get you through this difficult time. Randy, it is time for you to rest and be at peace...as God wraps
