Glenda and I have many memories of Mr. Bob, (and Ms. Julie). We loved them both dearly. He also drew the plans for our house. Our country has lost a great American who always shed a positive light on everything and everyone he came in contact with. Bob was special to many, many, people, including Glenda and I. Our prayers are with Ms. Julie and their nieces and nephews who I know they love dearly. May God continue to bless each of you. While we will morn his loss, we also should that God that men like Bob lived and served our country. He was part of the "Greatest Generation".Bill & Glenda Dobson

Uncle Bob, I will always have a special place for you in my heart. I have too many memories to list, but two of my favorites are when you brought my baby brother Jon-Jon & I fishing & you letting us watch you in your taxidermy shop! I love you & you will be missed!
