Bob was a wonderful man, who truly represented the most noble ethos of caring service to his family, friends and community. His breadth of knowledge over a myriad of topics was inspiring. He was a humble man who put you at ease with his kind manner. He loved building and flying his model airplanes, a hearty conversation, a good book, a fire in the hearth and company. He looked after the Whispering Oaks Community, serving on the homeowner's association for many years and will be sincerely missed by all. "Goodnight, sweet Prince". -
