Just read on internet that Denis has passed away. Was so saddened by the news. He was a very special and spiritual person. He loved and was loved by many. I met him over fifty years ago, and I never forgot him. He is and always will be special to me - just regret we never really got to know each other due to circumstances. But, somehow, I knew through the years he was always there for me. I deeply miss him - life will not be the same. I take comfort in knowing he is in a better place. Till we meet again - to the moon and back - God be with you and with your family who I know miss you too. A Special Friend, Mary

Denis was in every way a gentleman and a bon vivant. We had the good fortune of breakfasting with him frequently, and joining him in visits to Commanders and Antoinettes. He was the essence of much that is wonderful about the culture of New Orleans. Al and Sandra Burstein
