Kathy and family, It was an honor knowing such a wonderful man that ya'll got to call husband and dad. It was always a pleasure to see Lee and what a great time we had playing ball and being involved in the JC's. Lee was truly a loving man of honor and leadership who loved his family, friends and community. We all have lost a part of us with his passing. Our prayers were not in God's greater plan so we focus them now for your peace and comfort. Take comfort in the blessings that you had with the time God allowed you to have such a wonderful man and father. I know you will miss him dearly as so many of us will, as well. Comfort in Christ Jesus our Saviour and Lord, Delos Thompson Jr.

Kathy and Family, Lee was one of a kind. I'm grateful to have known him through the Jaycees, his leadership in Covington, but mostly as a friend and neighbor 30+ years ago when my oldest daughter used to sing, "Mr. Lee, Mr. Lee. Oh, Mr. Lee!" Lee was always gracious, fun to be around, tremendously intelligent, thoughtful, and kind. Blessings to all and God's comfort during this difficult time. Chris Garcia

Kathy, my thoughts and prayers to you and your family. I met Lee when I first went to work for BellSouth (me at 17 and him at 27) in Covington at Bogue Falaya Plaza. He was a kind and gracious man then and would be the same whenever I would run into him throughout the years.

Lee and I shared a love of Christmas carols. Not just once we sat out at the camp and sang. No matter the month, it was always time for singing a carol. I thought we sounded great.
