Eric was always happy and never lacked for something to say. Every once in a while I would grab a subway sandwich with him at work, and we'd talk about football. He'd always wave when he saw you and was very good at his job. I'll miss working with him, because he made work more fun. I'll also miss him as a friend. My deepest sympathies and prayers go out to his family, as I know he will be missed.
