Pastoral Care posted:

John Redd was a resident at Chateau de Notre Dame Apartments about a year and a half and has served in caring for the altar and chapel. A true pastoral servant who lifted my spirit in caring for others and giving of oneself. He motivated me as a priest to be a friend and servant of others out of Love for Jesus. I know in my heart he is serving at the Holy Altar in heaven where he will care for and remember his family and friends. With sympathy and prayers, Fr. Al Bermudez, Chaplain at Chateau de Notre Dame Apartments
