Dearest family of friends, my heart aches at the pain you are all experiencing. What a fine wonderful man you had for a Husband, Dad, Grandfather, brother, etc. I hope the many years you all had to create special memories somehow help you through. Most especially the recent "camp" trip Zula spoke of. I will continue to pray for your hearts to become comforted in knowing he is no longer in pain. He was a "man's man" so I'm sure these past month's was his hell. Now free to watch over all of you. May God bless and keep you all. Debbie Steinhauer
