Linda & Leslie, I just heard about Miss Betsy....your mom was a kind and gracious lady. I always enjoyed being around her and thank you both for allowing me that opportunity. It was truly an honor. It's 1:24 and I hope to make it to the service to pay my respects in person. If I don't, please know that my thoughts and prayers are with you. I know how very much you both will miss her.

Dear Lauck Family, Years ago when we were all together- the Bodins (Bill and Juanita) and the Foils (Kenny, Scott and me) -I dashed off a poem about how our family all became Laucks for a day when we celebrated holidays with your family. I have fond memories of those occasions. Betsy and Horace were warm and generous. I remember lots of laughter and fun. I am sorry I could not be there today with all of you. Please accept my sincere condolences . My love to everyone. Sincerely, Janis Bodin

Visiting with Betsy over lunch was always a highlight of going to the St. Tammany Welfare Department. My job was to give technical assistance on problem cases and to be sure the thousands of rules were carried out. We had fun...usually walking over to Lee Lane. She was a delight. Peppy and smart. She was definitely one of the stars of the St. Tammany office. Loved her. Donna Moran
