Kathy, Laura, and BryanBobby and I are sending you all of our prayers. We will always cherish the memories of all of you and my kids spending the summer in California making all our little road trips and cooking and eating all the time. It is a summer that we still talk about and Bobby had been talking about Billy for the last few months. Billy made those road trips so full of fun. May you find comfort in the arms of God and my our good friend Billy Rest in Peace.
