What a kindhearted gentle lady! I met her in 1962 when me and garland became freinds in first grade.I was at their house visiting many days and nights growing up. She and Mr jake always greeted me with a smile and made me feel at home. She had never ending patience and understanding with me and garland no matter if we were waking the house up at 2am or when we accidently blew up a casserole dish full of baked beans in her kitchen that must have taken days for her to clean up!!! SHE WAS A VERY SPECIAL LADY!!!! SO SORRY FOR YOUR LOSS GARLAND JIMMY WARNER

Margaret and I are so sorry for you loss. Your Mom and Dad were very special to me. Aunt Lois always had a twinkle in her eye and a smile on her lips. I loved to listen to the stories of her and her siblings growing up. Especially, about her and her sisters on the girls' basketball team at Champ Cooper. You could see in her eyes that those were special days to her. I would sit with my mom at Aunt Lois' kitchen table and they would go on and on about their life together as children. I can easily see them sitting at God's table having coffee and continuing their reminiscing. We love you.Keith Stevens
