I only met my cousin a few short years ago at the funeral of Mrs. Yokum. I only wish I had known her before that. She seemed to be such a sweet, gentle lady. We talked a few times on the phone after that for at least an hour each time. She filled me in on some family history and I'm so sorry that we were not able to get together again. My mother used to talk about Dookie and said what a sweet, pretty little girl she was. Please accept my condolences on the loss of this lovely lady.- Gilda Oliver Barger
