My condolences to Cheryl and your family for your loss. I am truly saddened by Bob's passing but I am also sure that he is no longer in pain and suffering. I hope you are comforted by the knowledge that we cannot know God's will but we trust in our faith and live with the acceptance of His plan for each of our lives. I will always have fond memories of over 30 years of street crayfish boils, birthday parties and celebrations of Saints victories with our old Venus Drive neighbors. We are all much better individuals for having known and cared about each other and that will never change. God bless Bob's soul and may God comfort you and your family! Glen Runyon

Cheryl, So sorry to hear of Bobby's passing. He has been a good friend for a very long time, in business and personally. Although I haven't seen him in awhile I was recently trying to contact him to catch up. I would love to get together with you, I will be at the visitation and hope we will have a moment to talk. You were a light in his life and I am so happy that he found you. May all the wonderful memories last you a lifetime. I know he will be watching over you, he loved you so much. May you and your family find peace in knowing that he is fine, we are not our bodies as they are temporary and fall away. I think death is much harder on the people left behind. Please know that If you need someone to talk to that I am here for you. Even though I have known Bobby much longer than you I always felt a strong connection to you and enjoy talking to you. I hope you are doing alright, I know you have a strong support system. Much love to you and your family.

Dear Cheryl, I don't know if you will remember me but I worked with Bobby at Northside. I was on the way to my doctor's appointment last week when Dennis called to tell me of Bobby's passing. Bobby was one of the nicest people I have ever met in my working career. He was very thoughtful and kind. I remember one day when I was doing invoices and complaining that I needed to get some reading glasses. Bobby was going out of the door for lunch, came back and presented me with a pair of his old glasses (which I still have) and said "here, use these." Through faith, I truly believe Bobby is receiving God's reward for a good life and that He will comfort you and your family with His comfort and peace. Sincerely, Jo Ann Frost
