Aunt Cloie You had a way to make us laugh, light up a room and make each of us feel special like no other. I think of you and a smile immediately comes on my face and I can hear you and Daddy playing golf and picking at your house.....making root beer. As I close my eyes, I can see you in heaven with Grandma, Grandpa, Stacey, Daddy, Aunt Patsy, Aunt Dorothy, Uncle Clint, Wayne and Rickey with all of our loved ones laughing and rejoicing. As we grieve you leaving us, we know you are with Our Heavenly Father looking down with that Beautiful smile. Thank you for all you've done to give us those special memories and making a difference in our lives. We love you.

My Dear Aunt Cloie, My family is going to miss you so much. You have always treated all of us as we were your own. I'll never forget the fun we had on our trips to Miami every year. I even got you to swim with me in the ocean. And the times we played Left-Right-Center you were always the life of the game. We have so many great memories of you. James and Noah have been looking for you so we had to explain to them that you went to Heaven and got your Angel Wings they're ready to drive there to come see you. My Mom is so lost without you she misses you so much. I know You, Jimmy and Aunt Pasty are having a great time. We love and miss you Aunt Cloie. Janie Tisdale Frye and Family.
