Joseph Everette Churley

OCT 31, 1965 - APR 20, 2017

Joseph Everette Churley passed away on Thursday, April 20, 2017 in Mandeville, LA. A native of Pittsburg, PA, he was born on Sunday, October 31, 1965 to Judith DiLuigi and John Joseph Churley and was a resident of Louisiana since 1997.

Joe was employed by HMS Host as senior director of finance for more than 30 years. He loved all Pittsburgh sports teams, but his favorite sport was coaching his son Brock in baseball from little league to travel ball. Joe was happiest spending time on the lake with loved ones, many of his favorite memories are from time spent at Pioneer Lake in Pennsylvania with his siblings, cousins and friends. In 2013 he purchased a home on a lake in Mississippi where you could find him and his family spending weekends on the water fishing and cruising the lake.

The beloved husband of M. Debra McGuire Churley, he is survived by one son - Brock J. Churley; step son - Ryan P. Hoover; one sister - Rosann C. Poe; two brothers - John J. Churley, Jr. (Katrina) and Gregory V. Churley (Sally); and many aunts, uncles, cousins and dear friends. His parents preceded him in death.

Relatives and friends are invited to a celebration of life service in memory of Joe on Saturday, May 27, 2017 at the Pittsburgh Airport Marriott in the Montour Room from 4-5 PM. Sharing memories, smiles and some tears.

Afterward we will follow with fellowship and one of Joe's favorite food groups, pizza and other light refreshments. For those that are unable to attend the celebration, family will be receiving guests from 1-3pm as well.

In lieu of flowers, donations may be made to MD Anderson Cancer Center, Houston, Texas.

I met Joe when I had just lost my mom and decided to start a new job at HMS Host. Joe was not only my boss, but he was a great mentor during a huge transitional time for me. Joe taught me things when I am sure he didn't even realize he was teaching me. I am grateful and blessed to have known such a kind soul and I pray for his family, especially Brock during this rough time! Phyllis Owens- HMS HOST

Joe was a great man! We spent many days laughing and working hard at BWI Airport along with his good friend Joe Macharsky. This was a total shock considering he is so young. Sending hugs and prayers to the Churley Family.

I work at HMSHost and had known Joe for past 16 years. I had preconceived notions about Joe but that changed immediately as I started working with him. I found him to be a very easy going, a good human being with a big heart. I also remember him inviting us (about 8-10 colleagues) to his house when we attended a conference in 2002 in New Orleans. When I learnt that he is feeling better and back to work, I immediately reached out to him on January 3rd, 2017 (see email below). Happy new Year Joe! It is so good to hear that you are back to work. I would like you to know that we have been keeping you in our prayers and hope that you have a wonderful year. I wish you good health, peace and prosperity in 2017 and always! Best wishes, Soghra. Little did I know that I will not see him again. We miss you Joe! Soghra Raza
