Pat and I were just not in-laws, but we were good friends. We talked everyday, sometimes 2 or 3 times a day. We shared stories, recipes and of course talked about our grand babies. She never complained about her illnesses and was always pleasant to everyone she met. I don't know anyone who has every said anything bad about her. Everyone I know who has come in contact with Pat has nothing but nice things to say about her. I will miss her DEARLY. Love you PAT RIP Wanda
