Willa Kramer was a kind and loving person. I knew her for almost 40 years. She always was concerned about me and cared enough to ask Randy how I was doing, all the time. My thoughts and prayers go out to Randy and Lori for the loss of their mother. She will always be remembered by me and those that knew her. She was such a wonderful person. I will miss her very much. Sincerely,
Norman

I've known Willa Kramer since I was 5 years old and became best friends with Lori in kindergarten. I grew up in her house. I remember her as a kind, thoughtful and gracious lady. I am truly saddened to learn of her passing. Lori -- I so wish I could attend the memorial next Sunday, both to pay tribute to your mom and to see you, but unfortunately we will be out of town. My thoughts and prayers will be with you and Randy. You were both blessed to have such a lovely mother.

Jennifer, she and I always laughed about the kite on the roof of the 'poop deck' in Pensacola (that took us days to reel in). We love your family. Thank you for the kind words... Lori

Please accept my most sincere condolences for the loss of your mother, Lori & RAK. I had the pleasure of meeting Miss Willa several years ago & what a gentle, lovely person she was.

Willa was truly one of the most beautiful, gracious, kind ladies I ever knew. To sum it up she was a class act. We became greatfriends while we worked part time together in Stein Mart's Boutique section. I am greatly saddened to learn of her passing. My prayers Randal and Lori. I know how she adored you both. Willa has reached her grand reward and you shall see her again. There has hardly been a more kind and gentle soul. Shortly after my own mother's passing we became friends. I treasure the time I got to spend with Willa.
