I love you and I miss you pawpaw. I can't believe it will be 3 years this year that you've been gone now. I was just laying down beside your greatgranddaughter Sophia and started thinking about you. I know your watching over all of us with a smile on your face and happiness in your heart. I plan on bringing you flowers soon and let everyone meet Sophia. I love you and I miss you pawpaw. Even though your not here in person, you will always be here in my heart and sophias heart. Love, Raven Lenel

The deer in Waldheim are safer; the fish are breathing a sigh of relief. Harry and I have spent hours together enjoying the great outdoors. He was my cousin, my mentor, but most of all a great friend. He will be missed, but will always remain a part of my life. Ivey Joe (aka Navajo)
