Dear Darlene and Family, Glenda Kay, and Debbie, I want to express my deepest sympathy to you all during this time. I'm so sorry that this happened. I lost my husband last year after a 3 year battle with brain cancer and I can truly say that I understand the battle and the loss. Glenda Kay and Debbie you were older than me and we didn't spend much time together at mamma and papa's and Darlene, I know we never met, but I want you to know that your family/ families are in my prayers and I am so sincerely sad to hear this news. Mom, Dad, and Morris Jr. have all passed away as well so there isn't much left of my small world. Just know that Mitch is in heaven with Uncle Glen and Aunt Lorraine and all of the family that preceded him and his suffering is over. I know yours is just beginning. I'm still going through the aftermath of my husband passing. It takes a while and comes in waves. I'm praying for you all.
