I wish I could explain everything that this woman has done for me and my family. She was more than a neighbor to us. She was a second mother to me after I lost my mom. She was Granny Janny to my kids, who haven't had an active grandmother near us. She came to their ball practices, ball games, school events and helped celebrate every birthday. She loved us as her own. She was always up for a road trip and random days of shopping and exploring. She helped turn me back toward Christ, and I have no doubt in my mind that she is now with our Lord. I am so blessed to have spent the time that I have with her. I love you forever.

Jan you were the best next door neighbor that I've ever had. We shared a lot of great memories together. You will always have a special place in my heart. We'd joke that during the day you were a housewife hanging out with me watching lifetime movies, and at night you were the man of the house hanging with my husband and bbqing. Y'all talked so long that I'd find y'all asleep in the chairs. You always opened your home to anyone in need. Tried my first frog legs with you.

I am so glad that I was able to visit with Jan recently after not seeing her much over the last few years. She came to her class reunion in October and I invited her to stay with me so she would not have to drive home late at night. We had the best time reminiscing about old times and it seemed as though not a day had passed since I had seen her last. She was a wonderful person that had a great heart. I'm going to miss her.

Jan, I remember the very first time I met you about 30 years ago when you were helping Jill wallpaper her kitchen in the house that they had bought next door to us. You came over to borrow some water. I was babysitting at the time and found out later that you went back and told Jill I seemed nice but that I had a lot of children. I was babysitting about 6 kids at the time and you thought they were all mine. Since that day we have shared many events, laughs, tears, joys, births, triumphs and life. Most of all though I will miss our talks. No matter what life would throw your way you were always positive and full of faith knowing God was always with you. Your faith in the challenging times in your life was always so strong and you knew that whatever God handed you in your life he was doing it for a reason and you accepted that with no questions asked. I loved that about you! You had this special laugh that I will never forget. I will truly miss you girl and am so grateful God brought you and your family into our lives that day. Thanks for letting me call Jill my sister and sharing her with me. May you be at peace dear friend. You will be truly missed. ❤️

I can't help but smile when I think of Jan and all our gang...Karla, Janie, Barbara, Robin, Barbara "Mac", Lu-Ann and numerous others...what fun times we shared. The house, the apartment, the camp....what great memories we made. We were one big family that helped each other deal with the struggles of life. I don't know how Miss Sylvia handled us, but I'm sure glad she opened her heart and home to us. I am so sad that Jan's life on earth has ended...but I know that wherever she is, she's smiling big. Love, hugs and prayers to her family left behind.
