I went to St. Mark's and Andrew Jackson with Missy, and although we were not the best of friends, I am saddened by the news of her passing away. In the years since St. Mark's, I've often thought of the strength Missy must have had in facing the challenges life presented to her. I hope well earned rest comes easily to her in God's arms.

Missy was one of my favorite students at St Mark School. She was loving and kind then and now as i know since I had become her Facebook friend in recent years. We both enjoyed sharing pictures of our grandchildren. I fondly remember her and the courage she always showed in times of illness. I pray for her soul and her family during this time of great loss. May the Sacred Heart of Jesus and the Immaculate Heart of Mary be a source of strength and comfort to you. Judy Cook
