Joe & Denise, I'm so for the loss of your wife & Mother. We met at DHJ in ~ 1986 & worked there for several years. she was a great nurse, very astituet. I remember that Peggy invited my son Mark & I several times for "Play Dates" when they were toddlers. Peggy & I hit it off when we first met. We would also see each other at AHA & CHSN Reunions & would have so much fun reminising about both schools.

Denise, I'm so sorry for the loss of your mother. I'm so touched that you thought of Mark & I, much less remembered us. I would have never known. Thank you so much for that. Your Mom was so special. I started working with her in ~ 1986 @ DHJ. We hit it off right away & became good friends. I will definitely miss her. We would see each other at AHA or CHSN Reunions & catch up on each other's lives & families. Love & Prayers to both you & your Dad. 🙏🙏🙏

Peggy and I were friends in high school and all through our years in nursing school. We took a trip to CO after training. I still have fond memories of the laughter and fun we shared. We have not seen each other as often as I would have liked; but, it was a comfort to know she was among us. I will miss her. Her family will be in my thoughts and prayers. Judy Gelpi Smith

Peggy was my roommate at Mercy Hospital School of Nursing. We had some fun times together. I'll never forget when the Missile crises was upon us. We wanted to go home but Sr Edwina said many people are under this kind of threat everyday. We stayed. I saw Peggy at one of our reunions. She was still the same. I will miss her. Dear Baudier/Miller Families, Margaret was truly a kind and loving person. We were friends at Holy Angels and, although she was a quiet person, she did love to laugh. I have a funny memory from our high school days - over 50 years ago. One day at lunch, Margaret and I were talking and she told me that her family used home-made mayonnaise. I was astounded! Margaret proceeded to tell me that it was easy and then told me how to prepare it. I was so happy that I was able to see her at the AHA Alumnae luncheon on a few occasions. Please know that you will all be in my prayers.
