My beautiful neighbor Mrs. Stott. She always looked after me after my Mother passed away. I always found it very easy to talk to her. She loved to hear me and help me in any way she could. She was a wonderful person. We became neighbors 50 years ago this year when she moved in next door. We went through the good and bad together with our family situations. We helped each other as much as anyone could. She will be forever in my heart. My condolences to the entire family. God Bless You All.
