I had the honor of calling her mom. There was never a moment she wasn't there for me with words of wisdom. She was and still is my best friend. We spent countless hours in the hospital together. Our bond was strong. Being with her during her last few days was a gift I will cherish forever!

About 20 years ago we went to the Alabama Coast with our new campers. We spent about 4 days;Our husbands Wayne and Malcolm surf fished but Kathy and I decided to do our own sports adventure.We went shopping every day at the Foley outlet mall. We did it like an adventure. we got there when it opened. Went to lunch. Shopped some more. We did this for a few days. we went to every shop.At the end of the day we ate the fish catches and bragged about our own.I learned then that Kathy is not a quitter. She has proved that many times.I will really miss her.Love, Gail & Wayne Tamborella
