Ronnie and I were childhood friends. We grew up in a very small community with just one stop light. Keye Harding was one of his best friends. We use to laugh about Ronnie's mom forbidding him and Donnie to go to the pool hall. They always got caught there because their dog would follow them and wait outside the door. The twins were such good friends! I am sorry that we lost touch as the years went by but the memory of our friendship in childhood will always be very special to me! Donna I have enjoyed following you on Facebook! I was also glad to see what a sweet family you and Ronnie had together! I pray that your families sweet memories will give you some comfort at this difficult time. I pray that God will bless you and your family! I am sad....I lost a special childhood friend! Hugs!
