Truly a remarkable woman and so proud to have called her my Aunt for over 58 years. You will be missed and I look forward to seeing you again Aunt Anne. God Bless and GodSpeed!

I miss you, mom. I didn't expect to miss you as much as I do because I so wanted you free from pain. But even though I wish I could share just one more day with you, I wouldn't want you to miss even one second with the One who loves you even more than I do. I love you.
