Ms. Erma was one of my home health patients several years back. I loved going to do her visits because she always brightened my day, even though she was not feeling her best. She was so proud of her family and spoke of you all with such love. Deepest sympathy on the loss of this precious lady.

My sincere condolences to the entire family. Ms McDaniel was a special lady. I will always remember the many special talks we had. She treated me like one of her family. When I began my gynecology research several years ago and discovered we were actually 6th cousins we laughed till we almost cried. She touched my heart and my life in many ways. I will miss you sweet lady just as I miss my mom every day. The angels in heaven now have 2 guardian angels to watch over our loved ones . With love and sympathy to RT, Shanq and the entire McDaniel family
