Deborah Dubroc Duff posted:

I can't stop thinking of the times we shared going to my mawmaw's house. We would jump up from the freezing cold living room where we slept under lots of layers of quilts. We would race into the kitchen where dad and our grandparents would be gathered at the table drinking their coffee. My heart is broken and missing a hug and kiss from my daddy. I love you. No matter how old I will always be his little girl.
