So much love in my heart for you,Betty, Randy and Allen. So many memories but one really has stayed with me for years. The event when Allen and Randy (child at the time) baby sat Gerard, who was a baby at the time, and Gerard decided to have an exploding messy diaper for them to change. The story Allen told me about this event with the expression on his face has never left me. You guys were my family away from home, where I had no one. I am so grateful that God choose you guys as my guardian angels at that time. Sending lots of love and prayers for all of you at this time, knowing in my heart he is definitely Heavenly Bound and at peace and happy at this time.
