Cheryl Twickler posted:

Sadly I could not make her funeral. But this is one most special Aunt who came through for our family a number of years ago during a very serious time of need. She gave a LOT of herself without asking for anything in return (too much to mention & too private as well). Just thankful I did send her a note a couple of years ago telling her how much I loved and appreciated her...just in case she didn't know. An amazing and strong lady!
