I flew with Bob many times in the good old MSY days. I was a new flight engineer on the DC-6/7 and he was the copilot. He was always in a good mood and a pleasure to fly with. I lost touch over the years. Sincerely, Aubrey Hair MD-11 Capt retired 1996

Good bye good friend. Thanks for the memories. Thanks for being a good friend. Thanks for opening up your home to me for a few drinks and a few laughs. Thanks for the good times we had having lunch together. Thanks for the talks we had over politics and "solving the world's problems." Good bye, wait for me, I'll be coming behind you in a few years. Mr Bob was always a great friend to the Breaux family and, like others have commented, he was always welcoming to each of us with a rum and Coke or other cold beverage. I personally enjoyed his Delta stories and talks of jets and airplanes over the years. He certainly knew his craft and you could tell he was passionate about flying. Mr Bob, you'll be missed. Condolences to the Myers family from the Breauxs - John Sr, John Jr, Chris and Rhonda, and Ken and Toni.

"Myers" as my father so affectionately called him, was my father's (Bob Martin) dear friend of 50+ years. I have many fond memories of the two of them being together. Myers riding his motorcycle over to our house, Myers being in the boat business and them doing boat shows together and of course the many family dinners that we shared. May all the good memories comfort you in the next year. Michelle Martin Yeauger
