Grace you were the best sister any one can have. I'll miss you so bad. Wish I would have spent more time with you. I will always love you my baby. When I come to be with all of you maybe we can smoke another cigar of nicks . I might not get sick this time. Tuesday is going to be one hard day like it was when we had to say goodby to Tee and Van.

Kathleen and Karen, it is with great sadness that I read this about your sweet mom. I knew her when I 1st started working for the phone company right out of high school, and to know her is to love her. Please know that you both will be in my thoughts and my prayers. Linda Fuselier Sharpe
