Trygg was a special teacher, friend and all around good guy. The first time I saw him was at Slidell High. I heard there was a new teacher at school and his clothes from top to bottom had macaroni glued all over them! I did not believe it until I saw him for myself. The joy he gave his students and friends with his humor and musical talent will be remembered always. I send my sympathy to you and those who were closest to him. He will be missed by so many.

Mr. Trygg was one of my favorite teachers at SHS - he was the most entertaining teachers I've ever had. I still love chemistry, thanks to him.

Cindy, I knew you and John way back in the late 70's when we were all younger and carefree. The Red Lion days. Years later my daughter had him as a teacher. My condolences.

This was my most favorite teacher I ever had. He would jump on the table in class just to surprise you and make learning fun. I loved him. Thank you for the fantastic memories and the time you spent personally with me when I needed you most.
