You taught me so much, you gave me so much and you loved me so much. You loved me when I couldn't love myself. I can't remember any part of my life where you weren't there for me. I wish just one more time that I could hear you tell me "I love you kiddo". I love you Joe and I always will. Love, Tee

I remember the day my brother had to put on a song for me to listen to, it was dream weaver by Gary Wright. It was so incredible!! I am so thankful he let me listen to his stereo when I was twelve. I truly learned to love music because of him. I love and miss him.
