I worked with Brian at all three stations in the Lewisville Postal cluster. He was always a pleasure to work with. For many years, together we would scan/throw parcels for zip codes 75057 and 75077. The carriers and I knew that we could count on Brian to get the work done and looked forward to hearing his amusing antidotes. He will be missed by many, including myself. May he Rest In Peace until we meet again. Prayers for peace for his entire family and friends.

Brian was all about family be it his or yours. While he worked endlessly for many years, it was always for the end goal of making life better for those he loved and cared for. My life is better because I knew him and I am grateful that we called each other friends. I will miss this truly good man. Thank you for the support these difficult past 10 months and thank you to his family for sharing Brian with us. Sheila Herrmann, USPS
