My name is Patricia Harden Barker. My father was Harl Harden; his father was John Oscar Harden. I never met Patsy but we wrote each other when she compiled the Harden Family history. She mailed me a copy and I had many corrections which I sent to her on my father's life history. I think I met Word several times; I believe he was a first cousin to my father. I was looking up Harden on Google and saw item on Patsy. I am sorry to find out she is no longer with us. I live in Vicksburg MS. My email is brkrpt30@aol.com if any one is interested in contacting me.
