I can remember the times that we had as kids. You were the only true friend I had when I came into this country. I always believed that after all these years, we would sit out and catch up. Life got the best of me and time slipped through my hands. Now, I am left wishing and wondering where did the time go. You will always be in my heart, my best friend! I will never forget you or forget the many memories we shared as kids. I love you and will miss you!

I met and have been friends with Jennifer since Jr. High School. She was my bestie. She was a beautiful; kind; caring person. After high school we didn't get to see each other as often but every time we got back together it was an instant reconnection. We had some wonderful visits aka therapy sessions. I know she was tired and in pain since her car accident. Jennifer will be greatly missed. She was a great lady and a wonderful friend. I'm glad that she doesn't have to be stuck in her bed anymore. She is looking down on us from heaven smiling. We will keep Jennifer's family in our thoughts and prayers thru this difficult time.
