When we were kids Beverly was queen of the Blessing of the boats in Delacroix. My sister Jean and I were her maids. My brother Morris was the page. The queen was on one boat and we were on my dads boat. My mother just loved Beverly. Great memories. I use to babysit the kids when they were very young.

To the entire Dolese clan, I'm so sorry for your loss, but you were blessed with a wonderful mother/grandmother while she was here. It's hard to believe it was more than twenty years ago that I had the privilege of meeting and getting to know Mrs. Beverly. Her loving, generous spirit made her a beautiful, gentle woman. I know you will miss her terribly. I pray you find peace in the memories and knowledge that she is with her husband and our Savior. Much love to you all!
