Marlene, Your friends, The BGs, love you and are hurting for you. We didn't know Hank personally, but if he was anything like you, we would have loved him too. Just know that we are all thinking of you and holding you close to our hearts. In Henry we have lost another devout catholic at Mary Queen of Peace. It was easy to spot him at mass as he always came with the six or seven members of his family. The last time we spoke was at Rouses supermarket about 10 days ago as he was in front of me checking out. He was a very nice person. I will miss him.
