Though today was the most difficult day a mother can ever imagine; through the tears of sadness comes a little ray of sun, the memories of times shared, the laughter and the fun. Such feelings will last a life time. But until the sun shines again I know your heart aches. I wish I could take the pain away 😞! I did not have the pleasure of meeting Blake, but being around his friends and family today; it is obvious how much he was liked and loved. It's safe to say.... inside your heart Blake will always be with you ❤️ With deepest Sympathy, Joy

I was fortunate to be Blake's soccer coach but even more fortunate that he was my son's good friend. He was one of the toughest and determined athletes I have ever coached. He never stopped fighting for that one last goal no matter if we were behind. I could count on him on any day, any hour. My son Marshall and the rest of my family have their own fond memories. These are mine to share and to hold forever in my heart. Blake is so loved ❤️
