Worked with Sandy for many years at AMAX. Sandy could light up a room with her contagious smile ! She was always willing to help anyone. She had a beautiful heart. I was planning to ask her to go out for coffee that same week to catch up on each other's lives. I will really miss her ❤️ I will be praying for Mark and family. We and the world lost a special person that day.

To Mark and all of Sandy's family,Sandy and I worked just down the fall from each other for twenty plus years at the Port Nickel plant in Braithwaite! . During that time we became close friends. (More like family.) I would like to say that Sandy was loved and respected by all of us.She was always a team player and stepped outside the box to help any of us if she could.She loved her whole family. She was a devoted wife, mother and grandmother.She will be greatly missed. My prayers are with you all during this sad time.Geneva Rhodes-Wegener, 230 Groton St., Branson, MO 65672

Sandra and the Skinner family were an early part of my childhood. She was always nice and I loved going by her house to play. One of my first experience of a "St. Joseph Altar" was at the Skinner home. I never forgot how beautiful they made it and always remembered Mrs.Helen & Mr. Al and the Skinner family every time I saw one from then on. We lost touch as the years went by, but we reconnected a few years ago thanks to FB. I feel blessed that I had an opportunity to spend time with Sandra and her sister's at the Frances Place reunion in October 2017 (and get a group photo). We laughed and talked of the old days and how wonderful it was growing up in our neighborhood. Anyone who knew Sandra knows the sweet soul she was. You will be missed, but I will never forget you Sandra, You were one of my first friends. My thoughts, prayers and love go out to all of your family. Love, Tessie Young Gioia
