Dionne always had that beautiful, warm smile for everyone she met - I'll always remember that smile...praying for comfort for the family who misses her so much. May the emptiness they feel now be filled with the many priceless memories of her.

I had finally reunited with Dionne on Facebook and even talked on the phone after 30 years (since high school)! She was a very loving, caring woman who loved her family! I have to say ,one of her daughters is a spitting image of the way I remember her in high school! And Jackie, you and Dionne were not only sisters but friends too that I remember! Pam Schmelling...
