I didn't know Sandy well; she was a dear friend of my cousin, Sallie Dubay but I got to spend time with her when Sallie would come to visit. We always had fun and I will remember her kind, loving spirit. My heartfelt condolences to all those whose lives she touched. Laura Hornaday

Sweet Aunt Sandra-I know her best as my favorite Aunt Lori's sister but Aunt Sandy was always around. I will miss running into her at Rouses here in Covington too. She's gone WAY too soon & will be missed dearly. Prayers to everyone.

My deepest condolences to Steve, Lance and Ryan and their entire family during this time. I remember how much she loved each of you and had just one granddaughter when we worked together, but oh how she loved her Olivia. You all were the ones that made Sandy happy. I'm sure she will be guarding over her beautiful granddaughters forever. You will be missed and I'm sorry you left us too soon.

I can't even express how I feel. One of the sweetest friends I have ever had. Always laughing and smiling, caring for others, being a great friend even though we lived miles apart for a number of years. She and I belonged to a cat club in New Orleans way back in the 1970's and had fun building cat trees and going to cat shows. That's how we met.....
