Trevor Madlem

JUL 13, 1989 - FEB 26, 2019

Trevor Madlem of Covington, LA passed away on February 26th, 2019. He was born on July 13th, 1989 in Mishawaka, Indiana to Thomas and Shirley Madlem. Trevor is survived by his beloved wife Alyssa and his children Rhett (15 months) and Camille (4 months). He is also survived by both his parents, his siblings Troy (Jennifer), Kristin, Tom (Megan), Tyler (Lilly), and Travis (Britt), and his 11 nieces and nephews.

Trevor was an incredible husband and father, and his family was his entire world. He and Rhett shared a bond that is exceedingly rare, and we take joy that we can continue to see Trevor in Rhett every day. He also ran his own business, Dr. Windows, through which he impacted the lives of both employees and customers with his outgoing personality, great sense of humor, and infectious laugh. Lastly, he was a passionate lover of animals and spent what free time he had dedicating himself to animal rescue efforts across Louisiana.

Relatives and friends are invited to attend a visitation at E.J. Funeral Home on Monday, March 11th, 2019 from 5:00-7:00 PM. Funeral services will be held in Indiana at a later date to be announced. In lieu of flowers, the family requests donations in memory of Trevor to be made to animal rescue charities or to a memorial fund at <https://www.gofundme.com/trevor-madlem-memorial-fund>.

How to begin??? I had the honor of working with Alyssa for the last 2 years and sharing an office right next to hers. Many times she would come into her office, and there was a little surprise from Trevor. Simple things like a flower, coffee, or even lunch delivered by waiter or by Trevor himself! It's was obvious he loved spoiling her. We shared many short visits with Trevor and Rhett when they would pick up Alyssa from work or just pop in to visit Mommy! Trevor was always so loving and attentive to Alyssa and the children. The other SLP's and myself would ask Trevor to train our husbands to be like him. He would act like he wasn't doing anything special. My favorite memory was this Valentine's day Trevor came to Marigny with the Rhett and Camille, and he had Rhett give Alyssa a Rose! It was the sweetest thing! Rhett was so proud of himself, and so were mommy and daddy! Trevor you were special and you will be missed! Love you Alyssa!

Although i only had the pleasure of knowing Trevor for about a year, it truely was a great experiece. From playing texas holdem in my kitchen, to picking him up on the way to clean an apartment complex in thibideaux after his ambulance broke down he always way uplifting and had a positive vibe that you could just feel. It did not matter if Chad and i were kicking the crap out of him in cards, he was positive and would make us laugh. I learned from him and was impressed with the way he was able to communicate with customers. I truely respected him as a person and a buisness owner. My deepest condolences go out to his family and friends.Matt Niemi

We have truly lost an amazing person. I met Trevor & Alyssa several years ago when my husband & I did a home visit for fostering. It was wonderful to see their love of animals & each other. Later, I would hear of other rescues that Trevor was involved in & was so happy that we had such a dedicated person to help the animals in our area. I can't begin to imagine the hole he will leave in all our lives but he has made the lives of the people & animals so much richer by having met him.

I am heart broken for Trevor's family. This is a terrible loss of a fine young man. I was a Dr. Windows customer and respected Trevor very much as a businessman. It was obvious how much he loved his family. I am so very sorry for your loss.

Although Trevor helped me only 3 times (last visit was just a few weeks ago) , his outgoing personality and commitment to making certain I was satisfied made our interactions both professional and pleasant. His untimely demise is a true tragedy. His family will be in my daily thoughts.
